LRE Expectations

ATTENDANCE: Regular class attendance is expected. If your child has an appointment, is ill, or will miss LRE; please contact the church office, 868-3680, so we know not to expect your child. We encourage our children and their families to make worship time a part of their family routine. During some units attendance at worship services may be required.

BUS TRANSPORTATION: Hope provides bus transportation from Northside to church for our 4th, 5th, and 6th graders. We expect all students to ride the bus so they arrive safely at Hope in time for class at 4:00 pm. Students should line up for the LRE bus at the band/handicapped entrance on the side of the building at Northside. Students do need to be prompt after school. All Riteway bus rules apply for the short ride between school and church. Remember that it is a privilege to ride the bus.

CHRISTMAS PROGRAM: This year the LRE students will present a Christmas Program to the congregation at the 10:30 worship service on December 11, 2011. All 4th, 5th and 6th graders are encouraged to participate. Look for more information during the fall LRE classes. (Sunday School students will have their own Christmas Sing Program on December 4, 2011.) We count on all children participating in rehearsals and the performance.

MISSION: Each month our Sunday School and LRE have a designated mission project. Our children (and their families) have enthusiastically supported these projects. Offering envelopes will be given to all students at the beginning of the year. Offering may be sent with students on Wednesdays or put in the offering on Thursdays and Sundays worship services. If you bring your offering to worship please mark the offering envelope "LRE".

SNACKS: We will provide snacks for your child each week of LRE. Your LRE fees provide the funds for us to share this much-appreciated treat with the students. If your child has any allergies or specific food (snack) needs, please let us know and we will try to accommodate this. If your child is celebrating a special occasion and you would like to bring a special treat, please give us a call.

QUESTIONS: If you have any concerns or questions during the year please contact Sue Chwala, Education Coordinator, Pastor Matt Powell, Pastor Rachael Powell, or the church office at 868-3680.
